

## CORNWALL, ONTARIO

The **Department of Medicine** is looking for a full-time internist to join our Geriatric Day Hospital, Diabetes Education Clinic and Rapid Assessment Clinic.

The **Geriatric Day Hospital** is a specialized geriatric service providing comprehensive multidisciplinary geriatric assessments for older adults, 65 years old and over, who are experiencing a change in function, mobility, memory, mood, or have complex medical issues. Physicians would provide consultation one full day per month.

The **Diabetes Education Clinic** provides specialized outpatient care to patients and families living with Diabetes. Physicians would provide care and consultation to patients with Type 2 diabetes at minimum three days per month.

The **Rapid Assessment Clinic** provides consultation to patients who require semi-urgent internal medicine assessment. Physicians would provide coverage to this clinic at minimum two days per month.

Internists are required to have a license with the College of Physicians and Surgeons of Ontario or eligible for a restricted license.

Remuneration is fee for service through the Ministry of Health, Ontario Health Insurance Plan (OHIP).

Start date: ASAP
