

**Cornwall Community Hospital
Hôpital communautaire de Cornwall**

**Diagnostic Services
Job Posting
(OPSEU Local 402)**

JOB TITLE: Cardiac Sonographer (**Temporary Full-Time**)

As part of the Cornwall Community Hospital you uphold the mission, vision and ICARE values in order to create a safe environment for patients/clients, families, staff, physicians and volunteers, recognizing “Patient Safety” and our hospital’s “Senior Friendly Strategies” as a top priority in creating a culture of safety and “The Workplace of Choice”.

DUTIES: Reporting to the Director, Diagnostic Services; the Ultrasonographer will organize and perform Echocardiograms; maintain and document high quality images; practice good patient care. The incumbent will be responsible for various technical aspects in the operation, calibration and testing of equipment.

QUALIFICATIONS:

Required:

- Current Echocardiography certification
- Current Registration with College of Medical Radiation Technologists of Ontario (CMRTO)
- Current Registration with Sonography Canada
- Recent relevant experience
- Excellent computer skills and good working knowledge of HIS, Ris, and PACS
- Demonstrated effective communication skills, critical thinking, problem solving, decision making and organizational skills
- Must be able to multi-task in a fast paced environment
- Strong attention to detail and the ability to work well with multiple interruptions
- Ability to work independently and within a multi-disciplinary team environment
- Must meet physical demands of position including lifting over 60 lbs. and withstand constant standing and/or walking
- Ability to respect and maintain confidentiality
- Current certification in BCLS
- Demonstrated regular/punctual attendance
- Demonstrated commitment to patient safety
- Functional level in both official languages (oral and written in English; oral in French – and testing completed)

SALARY: \$31.32 - \$43.25 per hour

HOURS: Scheduled and called in (all shifts) – subject to change based on operations.
