

**Cornwall Community Hospital
Hôpital communautaire de Cornwall**

**Critical Care Services
Job Posting
(ONA Local 42)**

JOB TITLE: Registered Nurse, **Code Response**

As part of the Cornwall Community Hospital you uphold the mission, vision and ICARE values in order to create a safe environment for patients/clients, families, staff, physicians and volunteers, recognizing “Patient Safety” and our hospital’s “Senior Friendly Strategies” as a top priority in creating a culture of safety and “The Workplace of Choice”.

Function Summary:

As a member of the interdisciplinary team, the role of Registered Nurse (RN) at CCH is to deliver safe, effective, patient-centered, ethical, and evidenced-based nursing care. The overall function of the RN is to assist our patients and community to manage clinical conditions and transitions and maximise their self-care abilities. The RN also acts as a resource for members of the care team.

These positions offer the successful incumbent the opportunity to be a superior resource, Code respondent and current best practice proponent in the Critical care setting.
