Registered Nurse - On-Call

A compassionate and non-judgmental Registered Nurse, you'll use your skills and expertise in physical assessment to provide emergency health/psychological care to victims of sexual assault and/or intimate partner abuse. You have expert communication and counselling capabilities, and ideally, experience caring for victims of sexual assault and domestic violence. You'll be on call 72 hours a month (more often if you choose), including at least one weekend shift. As an ASAP on-call nurse, you will receive all the necessary training and support. If you're interested in this opportunity to expand your skills and expertise as well as provide a rewarding service, please send a resume to:
